Ordering Contact Lenses

Contact lenses may be ordered at any time after the fitting is complete. At your request, we can order your contacts for you, collect payment and direct ship to your home.

Payments and Refunds

Full payment of the contact lens evaluation fee is due at the time of the initial consultation. Lenses are to be paid for when the order is placed.

If either you or your doctor decides to stop the fitting of the contact lenses, we cannot refund our professional fees due to time invested in your fitting process.

Contact lenses are a custom-fit product, and no refunds or exchanges are given once the contact lens prescription is finalized.
